

Dear Patients,

We are thrilled to announce the launch of our brand-new [Website](#)! Our team has worked tirelessly to create a more user-friendly, informative, and accessible online space for all our patients. Here's what you can expect:

Easy Navigation: Find what you need quickly and efficiently.

Enhanced Resources: Access a wealth of health information and tips.

Appointment request: Phreesia Appointment Request is a tool you can use to request a well-visit or non-urgent visit with your care team. Specify your provider, location, and time of day so our staff can quickly assist you!

Patient Portal: Easy access to your health records. We are no longer offering scheduling through the Healow portal.

Healow: Easy Healthcare Management

Access Your Medical Records: View your health history, lab results, and more. Use the web version to see your documents, including lab letters, school forms, and more!

Manage Appointments: View or cancel your appointments online.

Secure Communication: Send and receive messages from our team securely.

Discontinuation of My Health portal.

Our medical practice is no longer affiliated with the "Follow My Health" portal. As such, we suggest you ignore any recent notifications from this service, especially those concerning outstanding balances. Any balance information will be communicated to you directly via a paper statement from our office.

Thank you for your continued trust in our care. We are here to support you in your health and well-being.
